

Dr. Halima — Facebook Brand Guidelines

Brand Feel

A caring, experienced doctor who explains things gently. Warm, maternal, and emotionally reassuring — while maintaining a premium specialist tone. Designed to feel safe for pregnant women and trustworthy for all audiences.

Brand Color Palette

Color	HEX	Usage
Soft Medical Pink	#EFA7B3	Primary brand color, highlights, buttons (light use)
Warm Ivory	#FFF6F3	Backgrounds, posts, clean visual space
Deep Rose	#C65D7B	Call-to-action, headings, emphasis
Sage Green	#A8C3A0	Health tips, wellness, balance
Soft Charcoal	#4A4A4A	Text color (instead of pure black)

Usage Guidelines

- 1 Background → Warm Ivory (#FFF6F3)
- 2 Titles → Deep Rose (#C65D7B)
- 3 Body Text → Soft Charcoal (#4A4A4A)
- 4 Highlights → Soft Medical Pink (#EFA7B3)
- 5 Health Content → Sage Green (#A8C3A0)

CTA Usage

- 1 Book Appointment → Deep Rose
- 2 Save Post → Soft Pink
- 3 Health Tip → Sage Green

Avoid These

- 1 Bright hot pink (looks cheap)
- 2 Too many colors (breaks brand consistency)
- 3 Pure white + red hospital style (feels clinical/emergency)
